City of Glenwood Springs River Commission is hosting:

2017 RiverFEST

Saturday, August 5, 2017

9:00am-3:00pm

Two Rivers Park, 740 Devereux Rd, Glenwood Springs, CO 81601

COST: Free

The City of Glenwood Springs River Commission is hosting a river cleanup and river celebration by picking up trash along the public riverbanks in town on Saturday, August 5, 2017.

The cleanup will start at 9 a.m., and will be followed with a river celebration around noon including refreshments and a catered picnic for volunteers, with music by *Low End*. A community flotilla will commence at 1:30pm from Two Rivers Park to South Canyon. Anyone can volunteer and participate. Let us know you're coming, so we can plan for food and drinks. Register in advance for an assigned river section at www.cogs.us/riverfest or email River Commission member Trent.Hyatt@cogs.us. Boaters, if you would like to participate from your boat, let us know when you register.

Volunteers: Please register for your assigned river cleanup section at www.cogs.us/riverfest or by emailing Trent.Hyatt@cogs.us

Questions? Please contact Trent Hyatt at (970) 384-6427.

The City of Glenwood Springs River Commission serves the community through the investigation, study, and advising of City Council on any and all matters concerning the use, enjoyment, preservation and conservation of the rivers and streams in the City and its environs adjacent thereto. With two major rivers and numerous creeks running through our community, we are proud to play a part in the recognition and preservation of these great natural resources.
